***Be It Officially Noted That***

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If **any** changes are made to the course, this certification becomes void, and the course must then be recertified.

**Validation of Course** — In the event a National Open Record is set on this course, or at the discretion of Athletics Canada/Run Canada, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

**AS NATIONALLY CERTIFIED BY:**

Bernard Conway Date: Aug. 9/2012

# Northern Bike Path Calibration Vancouver, BC

Measured by: Paul Adams, AIMS/IAAF Grade "A" Measurer  
assisted by: Alain Denis and Kevin Thomson

The calibration course replaces one on Northern (BC-2009-006-BDC) which was destroyed by construction. It is on a bike path that parallels Northern. Northern is one block south of Terminal, east of Main Street. On the south side of the street is the bike path.

The west pin is located at the 1st light pole east of the intersection of Scotia Street, not counting the light pole at the intersection. The pin is 2.56 m from the centre of the lamp pole.

The east pin is located 8.26m west of the storm drain just west of George St. It is 0.6m west of the 4th bollard from corner. The pin is 2.58 m from the curb.
