announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course — In the event a National Open Record is set on this course, or at the discretion of Athletics Canada/Run Canada, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

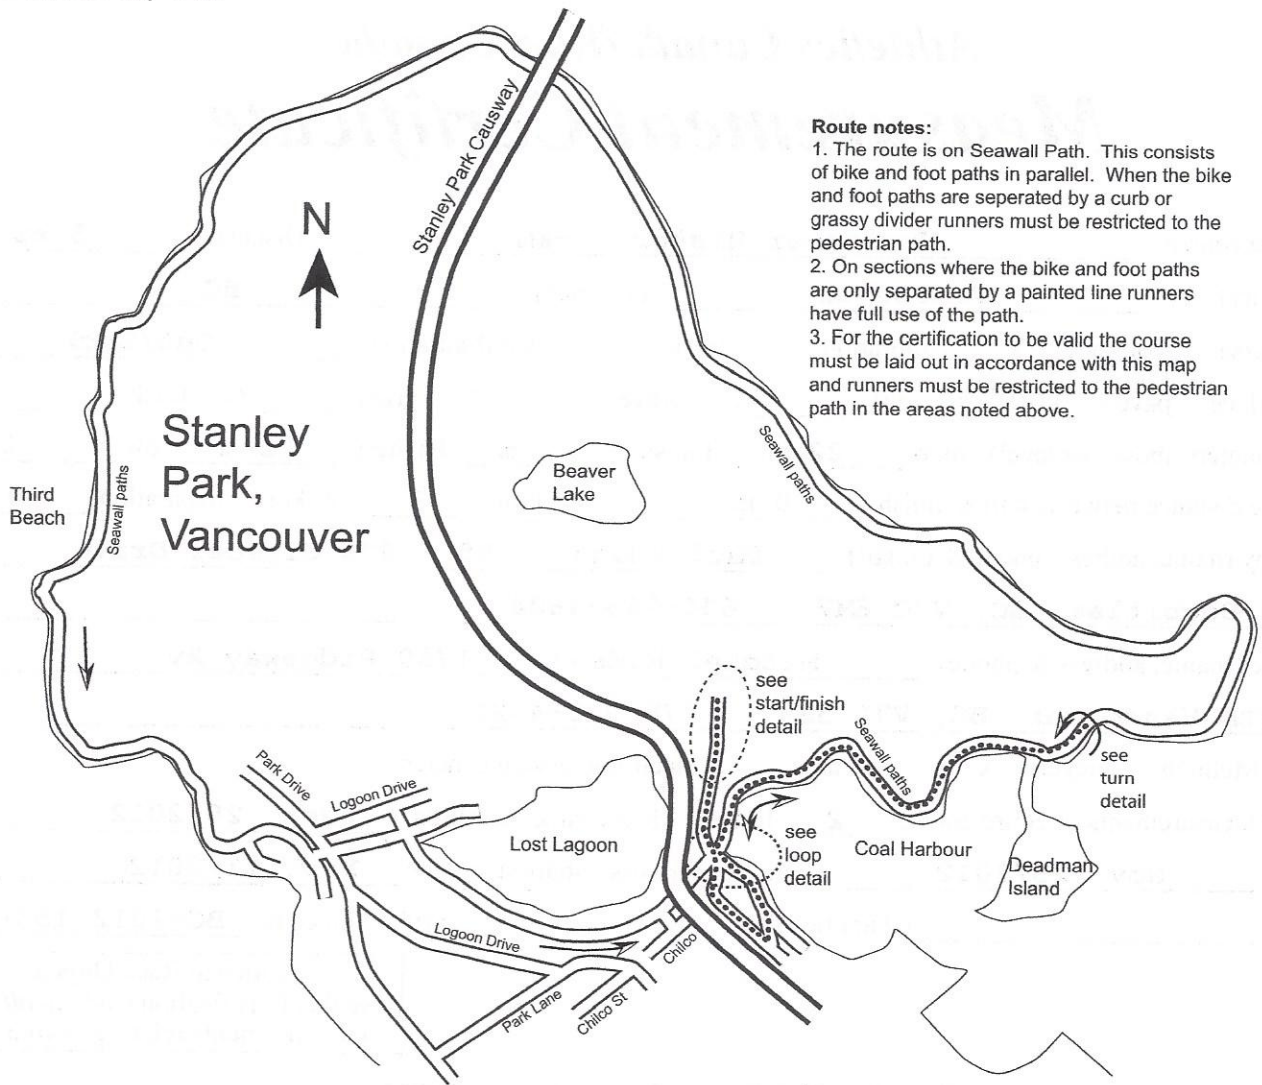

This certification expires on December 31 in the year 2021

Vancouver Historic Half Marathon, 10km and 5km Vancouver, BC

Route notes:

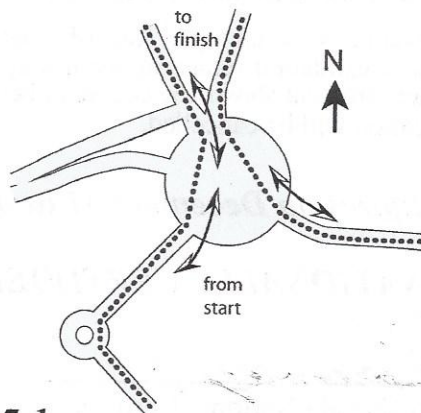

1. The route is on Seawall Path. This consists of bike and foot paths in parallel. When the bike and foot paths are separated by a curb or grassy divider runners must be restricted to the pedestrian path.
2. On sections where the bike and foot paths are only separated by a painted line runners have full use of the path.
3. For the certification to be valid the course must be laid out in accordance with this map and runners must be restricted to the pedestrian path in the areas noted above.

Turnaround Detail

The 5km turnaround is located approximately 40m west of the pedestrian crosswalk from the centre of the totem pole parking area. It is 4.7m from the post supporting a garbage can and 9.6m from the concrete pad below a pair of memorial benches.

Loop Detail

The start/finish line is located in front of the Stanley Park Pavilion, exactly in line with the street lamp on the corner.
