## Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

**Validation of Course** — In the event a National Open Record is set on this course, or at the discretion of Athletics Canada/Run Canada, a validation remeasurement may be required to be performed by a qualified measurer. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

*This certification expires on December 31 in the year 2021*

# Whistler Half-Marathon

Measured by: Clifton Cunningham, July 24, 2012  
Athletics Canada Certification # BC-2012-166-BDC

**Course Notes:**  
Course is a combination of Valley Trail system and city roads. Paved or hardpack throughout.

Start to 3km - Lane closures of road, runners restricted to one side of road with pylons and marshals.

3km to 10km - Road and valley trail, when on road runners restricted to 2.5m shoulder of road with pylons and marshals.

Turn around - on valley trail, 180° turn around back onto itself. Turn around located 86m north of the trail end fence.

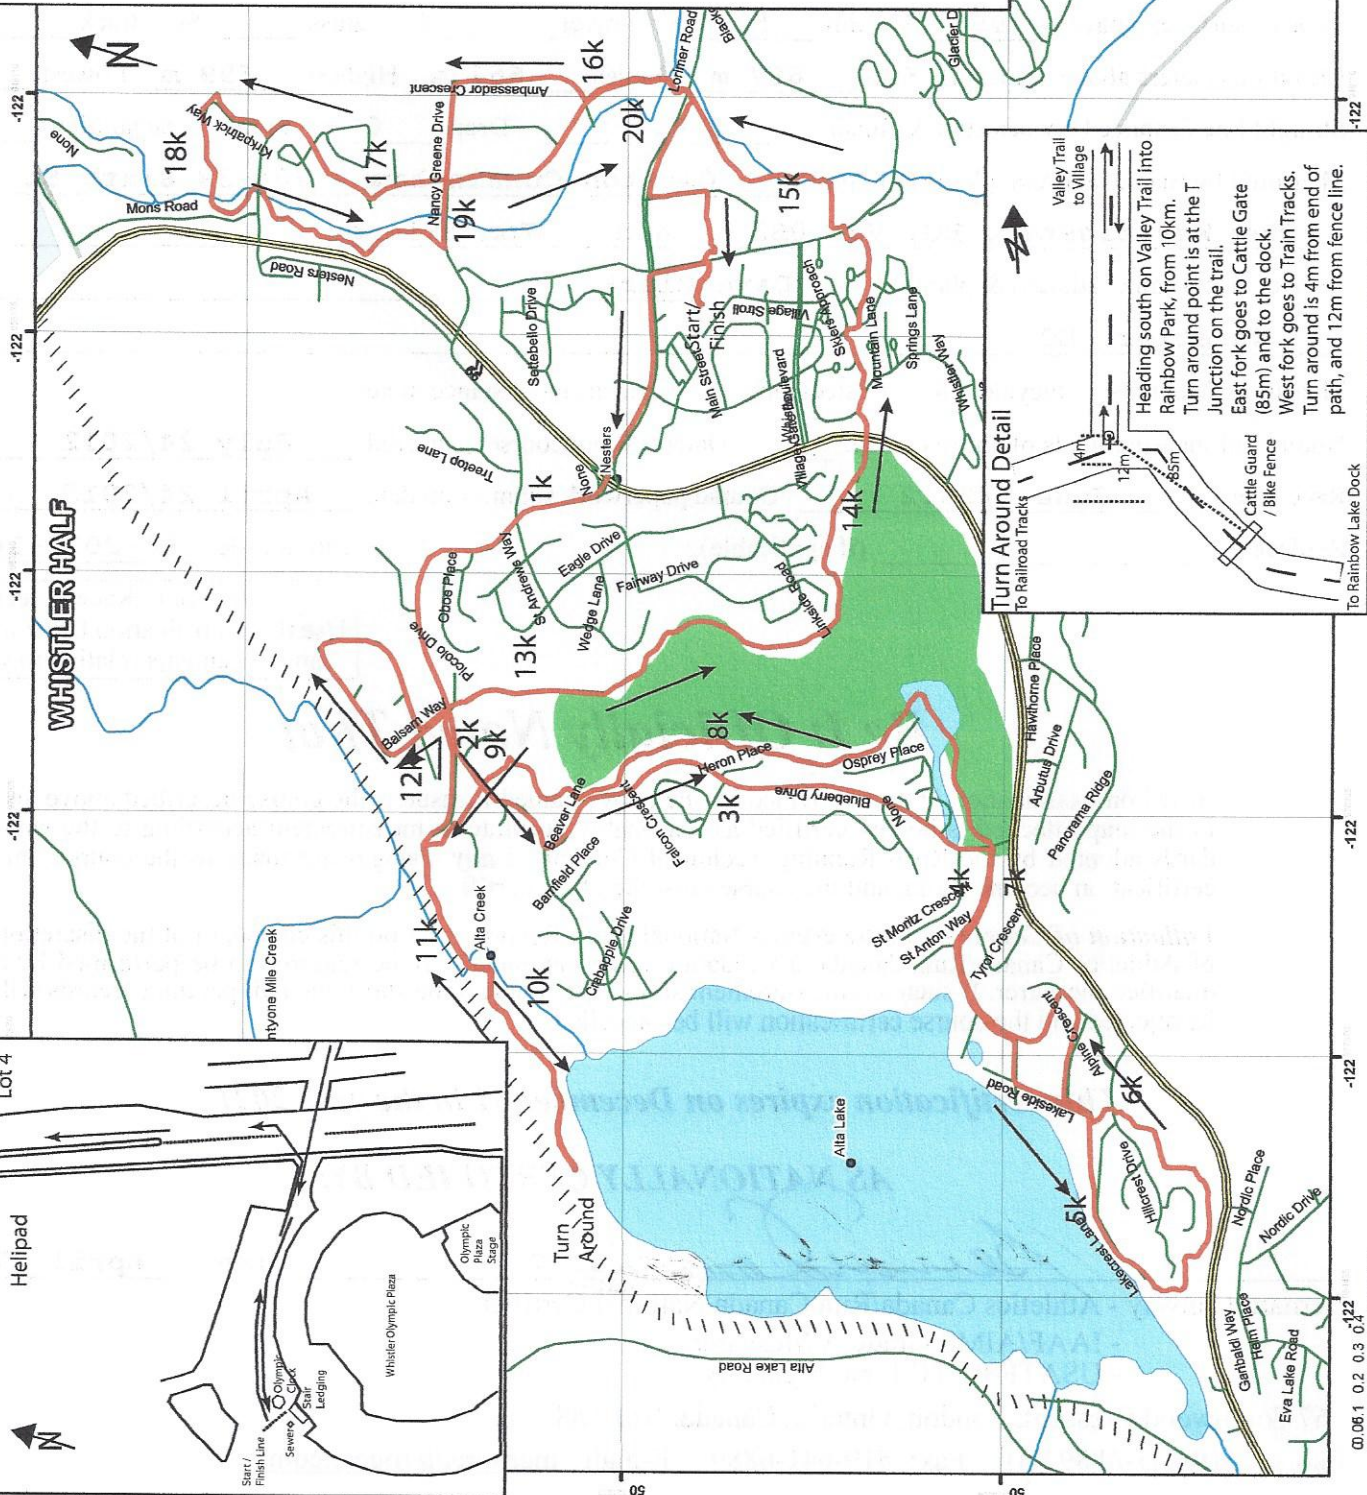

11km to 16km - road and valley trail, restricting runners to 2.5m shoulder with pylons and marshals.

16km - 21km mixture of valley trail and road, when on road restricted to outside curve 2.5m from shoulder with pylons and marshals.

Out and back sections of valley trail, runners may be restricted to one side, by cones. The course is measured as SPR with no restriction down centre.

Start / Finish line is the same, located at the Olympic Clock in the Whistler Olympic Plaza, in line with the raised stair walls. See detail.

KM marks on map are approximated.
